

STUDENT SCHOOL BOND PARADE SLATED FOR TOMORROW A.M.

Our student leaders for the Get Out the Vote parade go over last minute plans for their independent campaign. Shirley Perry, Karen Clawson, Jinny Grant, and Gordon Jones, Bill Borah and Jim Breeden.

Students "Get Out the Vote" For School Bonds

Tomorrow morning the students of San Luis Obispo City School system will have the opportunity to express their feelings on the school bond election. A parade is scheduled and students from all schools, fourth through twelfth grades, will participate.

Bring your posters and meet at Mitchell Park, corner of Buchon and Osos by 9:45 a.m. The Senior High band and float will lead the students through city streets beginning at 10:30 a.m. The planned route takes the procession from Osos to Higuera and south on Higuera to Chorro, where they will go right to Monterey. Turning north on Monterey, they will again reach Osos and end their trek at the starting place, Mitchell Park.

Student body president, **Jim Breeden**, is acting as general chairman, while **Bill Borah** head the float builders, and **Gordon Jones** has been making posters for the last week. **Karen Clawson** is handling business matters, **Jinny Grant** takes care of publicity, and our cheerleader, **Shirley Perry**, is responsible for yells and chants.

The students have assumed full responsibility for this parade and hope it motivates our citizens to get out and vote!

FRIDAY, NOVEMBER 4, 1960

Destination Pacifica

As you walk through the door you will leave San Luis Obispo and enter a South Pacific paradise. You will be surrounded by flowers, plants, and palm leaves. A grass shack will steal your attention. This tropical heaven will reveal some signs of similarity to the gym, because this is where the backwards dance will be held on November 18 from 9 to 12 p.m. It will be a dressy dance, and, most important, girl asks boy! The theme adds to the mood — "Bali Hai."

Girls' League members are scurrying about to make this dance one of the biggest events of the year. Especially busy are **Chris Wright**, decoration chairman; **Lynn Avery**, decoration co-chairman; and all the others helping them. If you have any palm leaves or plants, **Chris** would be very pleased if you would get in touch with her.

Cammy Bryant, vice-president of Girls' League, is general chairman of the backwards dance. Miss Cooley, Mr. Agnew, Miss Gayman, Mrs. Schirza, Mr. Duval, Mr. Shaw, and Mr. Frost are helping Girls' League with the dance.

The cost will be \$1.50 for two, or .75 cents apiece.

If you have any egg shells lying around donate them to Girls' League for the backwards dance. They'll be used for cascarronis, (that's an egg washed out with confetti put into it).

This is the first backwards dance of the year, so you girls get out and ask a boy. In the gym on the bulletin board is a sheet of paper with the names of all the boys in school. Cross out the name of the boy you ask and put your initials next to it.

AFS Sends Six Applications To New York Headquarters

Six SLO High students have been selected as American Field Service Exchange Student Applicants and may soon find themselves traveling to far corners of the world. This exchange offers both summer and school programs in either hemisphere.

Sandy Law and **Pat Messler** have applied for a new school program in Argentina which begins next February. **Langdon Winner**, **Leslie Rosenberry**, **Kerry Sue Seger**, and **Virginia Roller** are interested in the summer program and have no preference as to which hemisphere. Pat is also interested in the southern hemisphere summer program.

These applicants will now go through many months of filling out forms and hoping they will be fortunate enough to travel as an AFS student.

If Tigers Could Vote . . .

Kennedy scored a nine-vote margin over Nixon in an unofficial poll taken Friday in sophomore and junior English classes and senior civics classes. The close tallies came to 344 votes for the Democratic candidate and 335 for the Republican.

An official poll of the school taken in 1956 showed 374 for the Eisenhower ticket and 216 for Stevenson and Kefauver. The recent poll, which does not represent the entire student body, still shows an overall trend toward the Democrats.

Seniors Star

Casting for the senior play has just been completed. The play, "Night of January 16th," a courtroom melodrama which requires a jury selected from the audience, is unique in having two endings. The jury must decide the guilt or innocence of the defendant, Karen Andre, played by Vivian Davies. The ending is written accordingly.

Cast for "Night of January 16th" includes the following students:

Mike Grogan, **Jinny Grant**, **Vivian Davies**, **Doug Jones**, **Marty Frazier**, **Gordon Jones**, **Bill Black**, **George Cline**, **Joyce Dillard**, **Diane Lewis**, **Ray Aldridge**, **Bill Borah**, **Lin Henderson**, **Chris McLain**, **Lynn Avery**, **Marilyn Collins**, **Alan Dillingham**, **Anita Bloss**, **Diane Oberholser**, **Maridel Kennedy**, **Vicki Griffith**.

On the ROAR Agenda

Next ROAR will give some attention to public health as a result of yesterday's staff field trip to the health center on Johnson Avenue. A story is planned, too, on the Future Nurses' Club, which meets Monday morning at eleven in the senior high library for a film.

Distributed with the November 18 ROAR will be ROTO, with a football forecast, an aviation advance, and an article on idealistic teenagers.

This is the ROAR staff's second field trip, the first being to the TELEGRAM-TRIBUNE for its paper run. News staff projects include visits from guest critics as well as field trips.

Earlier guests have been Karen Jorgensen, '60, and Jim McLain, '60, both studying journalism at Cal Poly this year; Mr. Russell Pyle of the TELEGRAM-TRIBUNE staff; and Miss Roberta Mace, faculty.

Tiger in the ROAR

This week we shall have a moment of silence for **George Cline**, who, according to its editor, is doing an excellent job on the TIGER'S ROAR staff as its business manager.

Although **George** is a native of San Luis Obispo, he has traveled throughout the United States and parts of Canada. Three times he has traveled to New York where he has attended religious conventions. At these conventions there were people from all over the world, including some from behind the Iron Curtain. (George has also been to Disneyland.)

Among his interests, are printing and cars. This year he is cast in the senior class play. He plans to go into some line of printing upon graduation.

When asked his opinion of his job on the ROAR, **George** replied "Lot of work, no pay, and poor hours; but thanks to the gas war, the burden isn't as big as it could be."

New Cal Regs

All seniors planning to enter the University of California during 1961-62 who have signed up for a scholarship will have to meet the following requirements:

1. Besides filing a Scholarship application form by Mar. 1, 1961, the student must take the Scholastic Aptitude Test not later than Feb. 4, 1961.

2. Students must register for the Feb. 4 test not later than Jan. 7, 1961 (or Jan. 21 if a \$3.00 late registration fee is paid), with the Educational Testing Service, Box 27896, Los Angeles 27, California. If the student applies for a scholarship at more than one campus of the University of California, he should have the test scores sent to the Admissions Office on each campus.

3. Students will be required to file a College Scholarship Service form with the College Scholarship Service. This form contains instructions regarding its return to the College Scholarship Service.

Bug in Your Ear

It seems **Jane Nettleship** was so taken with the colorful black eye belonging to **Jessie Howe** that she hired **Merikay 'Slugger' Peterson** to give her a few blows in the left eye. To Jane's dismay, the result was just a slight swelling, although she is trying to tell people that things may be more serious.

A big thanks goes to **Miss Maxwell's** art students whose paintings have really helped to brighten the hallways and offices in the old cafeteria.

Library Suggestions

One of the first things to remember when using the library is to sign in. It may be unhandy to do, but it serves many useful purposes. It lets Mrs. Elinor Smith know how many people use the library and shows if a student sent to the library ever got there.

To show you're considerate of others, do not talk or study together, because there is no soundproofing in the library and every little noise is heard louder than it really is. Especially be careful with the chairs; they make a louder noise than anything else down there.

Not as many people use the library as did in the old senior high, mostly because of the location. The library has all the books it always has had, but Mrs. Smith could only bring half the chairs and tables, so not as many people can be accommodated.

As for The Girls

It's all over now and Mrs. Lee's 4th period PE class has taken first place in the volleyball tournament. Last week these girls — **Jean Ash**, captain; **Pamela Bradford**, **Kathy Kweeder**, **Sandra Law**, **Sallie Patton**, and **Delores Silacci** — met period 3's winners: **Rayanne Burmeister**, captain; **Judy Crawford**, **Mary Franklin**, **Janet Harris**, **Linda McMasters**, and **Glenda Ragsdale**. Period 3 took the first game, 22-20, but the next two favored Jean Ash's team, 21-14 and 21-16.

This tournament was very important to those girls. In fact, **Pamela Bradford** almost took a cab to make it. Mrs. Lee commented on the tournament, saying, "It was thrilling to the finish." When asked about period 4's team, she said "They won because of team work and good position playing." Period 4 will play Mrs. Wilson's top volleyball winner as soon as her inner-class tournaments are over. The school champions will receive gold plated trophies.

GAA girls are playing for points before school. For you girls who can't come early, points are earned right in your own P.E.

Tigers, Braves Tie, 6-6

Knocking helmets with a fired-up Lompoc football team, the Tigers came from behind in the closing seconds of the game to draw even with the Braves.

Neither team could score against the other during the first three quarters. The gridders of **Coach Jack Frost** got close to paydirt in the second quarter, but the clock ran out of time to stop the threat.

The Braves struck first when quarterback Bob Mange fired a pass to Arlen Elms for the touchdown. The try for the extra point was no good.

Faced with defeat, the Bengals came roaring back to score with 41 seconds left in the contest. Jim Kluck flipped a pass to Fred Lewis, who lateraled to Tom Sweeney, who in turn handed the pigskin back to Lewis and Fred scampered into the end zone for a razzle-dazzle touchdown. Bill Pierce's kick for the extra point was wide by a few inches.

Mike McCune, Wendell Chambers, and Lewis were outstanding on defense.

The Tigers travel to Paso Robles next week to battle the Bearcats in the last scheduled game of the year.

JV's Shut Out Lompoc

After romping over Atascadero two weeks ago 26-6, **Coach Prijatel** again led his team to victory against Lompoc last Saturday.

The game was scoreless until the second quarter when Jim Ulam ran for a touchdown. In the third quarter Jim Barei opened up against Lompoc to add six more points to the score. Both conversions were completed, one in the second quarter by Bunny Leguina and one in the third by Howard Franklin, to make the final score 14-0.

Wide-eyed Freddy Lewis scampers for a gain after snaring a pass in Atascadero game. San Luis handed Atascadero their first defeat of the season, 13-6.

Santa Maria Cross-Country Team To Run Here Tomorrow

Santa Maria runners visit San Luis Obispo tomorrow to compete on the 1.8 mile course. Next week the Tigers, who have not yet won a meet, will run against the Paso Robles Bearcats. This will complete the cross-country slate for this season.

Two weeks ago the Tigers lost to Atascadero, with two runners placing in the first seven. Mike Sutherland placed fourth while Mike King took seventh. Last week, San Luis lost a close one to Lompoc with Bill Chaides taking sixth and Travis Wilson, seventh.

!STOMP SAINTS!

Santa Maria's Saints, one of the two stumbling blocks left in the path to the conference crown for the Bengals, trudge onto the Poly battlefield tonight owning a three-game winning streak in league warfare. The San Luis sabre-tooths are very much in favor of getting a new flavor into the Santa Marians' ice cream sundae of league triumphs — a gooey defeat. The Greyhounds of Atascadero were slipped a cement dog biscuit, and our boys made 'em choke on it, 13-6. SM may have to be put on a low-calorie diet after tonight's tussle.

Here's the record of our neighbors to the south: In their initial start of this grid season, the Saints, of coach Pinky Bebernes, fell before the Ventura Cougars, 6-0. Journeying to California's answer to Greece's Sparta, football-wise, the city of Bakersfield, SM was perforated by the Drillers of Bakersfield High, 33-0.

In that debacle, the Saints were shown names are deceiving, because a big, burly fullback labeled Marion played a major part in the defeat of our opponents.

Seven days after the Bakersfield disaster, the Cavaliers of Serra High in Gardena honed their dueling swords to razor sharpness and proceeded to give the Saints a taste of cold steel, 7-6.

In their last non-conference encounter, the Santa Marians were pumped full of lead by the Salinas High Cowboys, 13-8. Rather perturbed, Coach Bebernes dipped into his basket of talent and came up with a pleasant surprise in quarterback Tonoha Ramones. Having seen limited action in the Saints' four non-league games and with no frosh experience, Ramones started at the quarterback slot against Paso Robles and completed 4 of 11 aeriels for 60 yards and one TD.

Now that the Wool Contest and the FHA Conference are behind them, girls taking Home Economics courses can begin straining their brains over the Betty Crocker contest.

BETTY CROCKER CONTEST SET FOR DECEMBER 1st

The nationwide Betty Crocker contest is scheduled for December 1. The test is a part of the Betty Crocker search for the American Homemaker of Tomorrow.

The winner of the local contest will win a pin and an expense-paid trip to the state finals. The winner of the state finals will in turn have her expenses paid to the national finals. First prize will be a \$5,000 scholarship; second prize, a \$2,000 scholarship; and third prize, a \$1,500 scholarship.

Any senior girl interested in taking the test may sign up in either room 31 or 32. The deadline for sign-up was October 31. Those signed up so far are:

Martha Bradshaw, Cammy Bryant, Sandy Peterson, Sharon Frazer, Fanchon Tognazzini, Beverly Strong, Roberta Thompson, Jean Fauss, Dot Moerman, Carol Anne Booth, Shirley Alexander, Darlene Allen, De Anna Plummer, Janet Gianolini, Ruth Horton, and Diane Oberholser.

FHA MEMBERS ATTEND STATE CONFERENCE

Two members of the SLO senior high chapter of the Future Homemakers of America attended the state FHA conference at Asilomar last Friday and Saturday. The girls, Shirley Alexander and Aletha Lopez, accompanied members of the Junior FHA chapter; Mrs. McHale, the Junior High homemaking teacher; Mrs. Cushman, home economics teacher from Morro Bay, and two girls from the Morro Bay chapter.

SIX GIRLS ENTERED WOOL CONTEST

Six girls from the Clothing II class at SLO high school attended the Wool Contest at Santa Ynez October 22. They included Jean Fauss, Louise Buck, Cammy Bryant, Sandra Pfizner, Martha Bradshaw, and Sharon Frazer. Of the three classes in the contest — Junior, High School, and College — all the San Luis Obispo contestants were entered in the high school division. Jean Fauss placed a close 2nd with 98 points, while the winner earned 99. Each girl was given a prize for entering the contest. Miss Levern Gayman, clothing teacher of the SLO senior high school, and chaperone of the trip, said she believes the girls gained a lot from the experience.
