Prexy Greet's Grads

As the school year, 1960-61, comes to a close, over 300 young adults are on the verge of stepping into the unpredictable future. We are going to take with us, many fond memories of our three years at San Luis Obispo Senior High School. Although our senior year has been filled with many hardships (as we have striven to do our best), we have also had many happy and pleasant experiences with our classmates and teachers. For us, this graduation from San Luis Obispo Senior High is not the end of something, but it is the beginning, the first step, into our future as responsible citizens and leaders.

It is with sincere gratitude that we thank each and every person who made the pleasant memories of the past three wonderful years possible. We know that every senior will always be proud to say that he is a member of the class of 1961 only with the efforts and guidance provided by our advisors.

The Good Old Days . . .

Were the old days really good? Let's turn back the clock and ask — Well, we being "a wee bit youngish" pounced on the first old timer we saw. He leaned back in his Kennedy rocker and started to reminisce.

"I remember the graduating class of '28 all wearing dark suits of every shape and size. That's the year they used the old Elmo theatre for commencement. Then again in '41 they had one of those 'Buffette' dinner parties at the Monday Club, quite nice I understand. Seems like all the grads went to Atascadero Lark in '42. Well, it just happened a Mr. William Price and a Miss Cooley were on a paddle board and it also just so happened that some of the other gentlemen decided to 'scuttle' the boat. You know — I wonder to this day who got scuttled!!"

BLACK-GOLD AWARDS TOP SPORT YEAR

The **BLACK and GOLD BOOSTER CLUB** annual awards potluck on May 31 climaxed a great year in sports which saw the San Luis Obispo Tigers win the CIF class A football championship and nail down their first league baseball championship since 1953.

Tony Boyle won the coveted **Leroy Farrar Memorial Trophy** for the outstanding senior athlete. Boyle joins such previous winners as: **Rod Mitchell, Art Hoover, Mike Leitner** and **Phil Prijatel, Jr.** The perpetual award was established in honor of Farrar, a star San Luis Obispo athlete who drowned in an accident near Avila Beach and is awarded on a point basis of participation, lettering, and special honors.

Boyle's grid honors included leading scorer and ground gainer for Coach Frost's championship eleven. He was named to the all-conference first team, the CIF small schools second team, and more recently received honorable mention on the 14th annual national high school **All-American team** selected by Wigwam Wisemen of America in conjunction with The Sporting News. He also won the club trophy for the outstanding football player. Besides football, Boyle lettered in wrestling.

Pushing Boyle for top honors at the dinner (attended by 200 students and parents) was lanky **Bob Meacham** who collected one trophy as the outstanding basketball player of the year and

then picked up a second award as the outstanding baseball player. Meacham was named, along with outfielder **Bob Salyer**, to the all-San Luis Obispo League baseball team.

Others receiving individual trophies at the dinner were: **Carol Helfert, Ann Taylor, Mike McCune, Ralph Bell, Mike Sutherland,** and **Tom Winn.**

Miss Helfert is the school's outstanding girl tennis player; **Miss Taylor**, the outstanding athlete of the Girls Athletic Association; **McCune** was named the top wrestler; **Bell**, the number one trackman; **Sutherland**, the outstanding cross-country runner and **Winn**, the outstanding boy tennis player.

Civics teacher and counselor **Joe Cushman**, whose ability to list the accomplishments of the award winners has won him a lifetime job at the dinner, introduced the honored athletes. **Lars Barstad**, superintendent of schools, presented the awards. **Johnny Nettleship**, honored guest, was introduced by club president, **Phil Porter.**

Prior to the presentation of the awards, selections were sung by **Milton Baer's Sextet** and **Male Quartet.** A film of the 1960 CIF High School Track and Field Finals at Long Beach was narrated by **Miss Mace.**

Decorations were provided by the '62 **TIGER TALES** staff. Assisting with the serving were members of **TOTS.**
